Press Release

*We are proudly announcing that from 01/01/19 each & every female employees of FlyMyBiz will entitle to receive an extra paid leave in every month in the time of their periods as **"Menstruation Leave"**.*

Through this programme every female employee of FlyMyBiz will entitle to gain twelve paid leaves in a year as "Menstruation Leave" which will not calculate under casual or sick leave or these "Menstruation Leaves" wouldn't hamper their casual/ sick leaves.

We FlyMyBiz starting it to break the taboo in the name of Periods. We think & will try to let the society think that periods is just another simple physical procedure for every women, they should celebrate for being menstruate not feel shy. As because this physical procedure is the reason behind their motherhood & every men's fatherhood.

This step just a small token of salute to the motherhood from our end.
